# ❖ Leadership Wooster

## Leadership Wooster meets to learn about community service and volunteerism opportunities within Wayne County

The Leadership Wooster Class met for the first month of 2023 to explore the community service and volunteerism opportunities, as well as the human services available in Wooster. The day started with a presentation from Samira Zimmerly, President, Wooster Area Chamber of Commerce on Effective Board Membership. It was a great chance for the class to learn about potential board opportunities.

United Way, Rotary, Lions Club, Kiwanis, and Quota Club also presented about their unique outreach capabilities. The class then boarded a bus to tour the new Treatment Center for OneEighty and Habitat for Humanity.

For lunch, the Salvation Army provided a delicious meal and a great overview of their services. From there, they traveled to Goodwill for another overview and tour of their organization.

The afternoon provided the opportunity for roundtable discussions with 10 different non-profit organizations, as well as a tour of People to People.

The overall consensus was that Wooster is lucky to have so many great organizations available to meet the many needs of our community! The class was encouraged to think about their passions and how they can use that to help the many non-profits in the area. It was a fulfilling and eye-opening day!
