Celebrating 30 years of the Wayne County Home & Garden Show set for April 25th & 26th at the Fairgrounds!

The Wooster Area Chamber of Commerce invites you to be a part of the 30th Annual Wayne County Home and Garden Show to be held on April 25 and 26 at the Wayne County Fairgrounds.

The 2020 Show will feature an updated layout, which will utilize the new Wayne County Event Center facility. The facility includes amenities such as heating and air conditioning, new restroom facilities and a brightly lit LED vendor area. The Chamber is confident that these changes will only improve the event, as newer and nicer facilities are made available to not only the vendors but to the attendees as well.

At the 2019 show, over 200 exhibitors participated and found it the perfect place to feature their products and services to the public. We are confident that you will experience the same satisfaction by participating this year.

We estimate an attendance of approximately 20,000 visitors to the show on an annual basis, which ensures ultimate exposure for your business.

In addition to exhibits, the show features new car displays, a floral display competition, children's activities, plant sale, wine garden and traditional fair food concessions.

Participation in the show includes exhibit space, backdrops and side curtains (where applicable), electric and water, plus advertising to over 60,000 households. The show will also be promoted to surrounding counties through radio, local cable TV, billboards, flyers, posters and newspaper advertisements.

If you're interested in participating, please visit our website www.woosterchamber.com/wayne-county-home-garden-show. Applications must be received by Friday, February 28, 2020 to take advantage of the early bird discount. We look forward to having you join us for this fun-filled weekend!

The event is sponsored by:

Stop by the 30th Annual Wayne County Home & Garden Show Plant Sale which offers a variety of succulents, vegetable plants, perennials and flowers.

Students learn about community service & volunteerism

The Leadership Wooster class met on Wednesday, January 8 to learn about Community Service & Volunteerism. The day began with speakers from the American Red Cross, Rotary, Lions Club, Kiwanis, and Quota Club. Leadership Wooster students traveled from the American Red Cross to the Nick Amster Workshop for an overview and tour of the facility. Next, the students traveled to Goodwill for an overview and industrial facilities tour where they were able to see the hands-on work that occurs right here in Wooster. Next on the agenda was a tour and overview of services and facilities at The Village Network. The day continued to the Salvation Army
