First Wayne County Lemonade Day was the Zest!

Each glass of lemonade purchased on Wayne County Lemonade Day was an investment in our future leaders, entrepreneurs, social advocates, and community volunteers.

The inaugural Wayne County Lemonade Day boasted 21 lemonade stands set up across the county! Lemonade Day kids in Dalton, Marshallville, Rittman, Shreve and Wooster spent the day running their very own businesses to earn their own money and achieve the goals they set throughout the program.

Each kid is encouraged to save some, spend some and share some of their proceeds. Kids have set goals to save money for the next hockey season, karate

lessons, getting their pilots license, opening a bank account, and other achievements. Some are donating a portion of their proceeds to local non-profits such as Joyful Cafe, People to People, Wayne County Humane Society, and many more.

We are looking forward to the Second Annual Wayne County Lemonade Day next year!
