❖ Leadership Wooster

Leadership Wooster explores the agriculture sector of Wayne County

The current Leadership Wooster class got to explore and learn about many different facets of agriculture in October.

The day began at The Ohio State University - CFAES Wooster Campus where Dr. Kristina Boone, Asst. Dean and Director, gave an overview of the college and the impact it has on the agricultural industry. She offered insight on the careers in agriculture and the programs offered at the college.

Kurt Steiner of Steinhurst Farms then presented on what life looks like as a dairy farmer. He spoke on the importance of good workers, having a succession plan, and how being a strong leader helps their operations.

The class moved outside for a presentation and demonstration on technology in agriculture and learned about the shifts that are happening in the industry from Dr. John Witter, Assoc. Professor & Brian Gwin, Program Director, Research and Graduate Education Administration, CFAES Wooster. At Secret Arboretum, they learned about horticulture from Dr. Laura Deeter, Professor, Landscape Horticulture and Horticultural Science, and Jason Veil, Curator, Secret Arboretum.

Lunch was generously provided by Certified Angus Beef, where the class enjoyed a delicious meal and heard from Melissa Brewer, VP of Communications, Sherry Leggett, Director of People & Culture, and Kirsten Nickles, Sustainability & Animal Care Scientist, about the Certified Angus Beef brand, applying servant leadership at work, and sustainability in the industry.

Another fun part of the day was touring Zido Valley Dairy, where the class got to explore an operational dairy farm before traveling to Lincoln Way Vineyards for a wine tasting to wrap up the day. Owner Jim Borton walked the class through the variety of wines produced at Lincoln Way, and Alex Borton, Vineyard Manager, gave a tour of the winery. It was a full day with a lot of knowledge gained about an industry that is so important to the area!

Congratulations to Bowman Beverage on their 40th Anniversary

Congratulations to Bowman Beverage on reaching their 40th anniversary of business!

Bowman Beverage was started when Bret Defibaugh happened upon a building on East Bowman Street that was a small convenience store. Bret saw the potential in this building, a business he had shopped in many times as a kid and as a young adult. With dreams of success, Bret and a friend, Jerry Szemplak, opened the doors of Bowman Beverage in 1982.

When Bowman Beverage opened, Bret and his mother Jeanne, handled the day-to-day hours at Bowman. As the business flourished and grew, Bret never feared getting his hands dirty and doing the work that needed to be done.

In 1993, Bret, Deb (his wife) and his friends, Ted Rehard and Jon Zoss, bought the West Lincoln Way Drive Thru. With the addition of this successful venture, Bret had a desire to continue expanding the business. Bret, Deb and son Corbett, opened The Ice House drive thru in 1996.

2019 saw the addition of Gary's Drive Thru and Liquor store, in Orrville. Bret and Corbett ran the businesses, with the help of the rest of the family, until Bret's passing in 2020.

"The employees, both past and present are the reason for the continued success of Bowman Beverage and without them and their hard work, we would not be where we are today," said Corbett.

Bowman Beverage handles over 300 weddings and events yearly and without the core of dedicated employees, these numbers would not be possible.

Bowman Beverage has always had a passion for giving back to the community. Each year, they host the 5-0 Cookout, which is held and hosted in conjunction with Wooster Police Department, Wayne County Sheriff's Office, Wooster Fire and multiple other agencies throughout the county.

"Bret always had a love of taking care of anyone that needed help. With our employees' help, we will continue to give back as much as we can," Corbett said. "We hope to continue this tradition of caring for another 40 years."
